

SECURE YOUR LOADS & MAXIMIZE EFFICIENCY + BOTTOM LINE WITH NEW, LIGHTER WEIGHT ANCRA 3 BAR WINCHES

LIGHT WEIGHT

Reduced weight results in less fuel expense and/or greater net cargo capacity for the trailer.

NEW DESIGN

New hub design is a patent pending feature that will only be available from Ancra.

48101-173

- Several 3 Bar Winch models are available with the X-treme Zinc finish for optimum corrosion resistance
- Offers a significant weight reduction as compared to our traditional 3 Bar Winches (ranges from 2.4 lb. to 3.5 lb. per winch)
