

LEADER IN LOAD SECUREMENT INNOVATION

SECURE YOUR LOADS AND MAXIMIZE YOUR EFFICIENCY AND BOTTOM LINE WITH NEW ANCRA WINCHES.

X-TREME ZINC™ WINCHES

IMPROVED

Greatly improved corrosion resistance when compared to zinc-plated, painted, and powder coated winches resulting in a longer lasting winch.

RATCHETING WINCH

EASY TO USE

Reduces the Tensioning Time by 33%.

STAYS IN PLACE

Reduced Risk of Winch Bar Rollover

3 Year Warranty on the Ratchet Mechanism

LIGHTER 7MM WINCHES

HEAT TREATED

Heat treated material maintains strength.

REDUCES WEIGHT

Reduces weight per winch by 2 pounds, on average.
