SOFT HOOK TIEDOWN EXTENSIONS

ANCRA Soft Hooks are now available in three new HOT colors, Hot Pink, Hot Orange and Lime Green in 18" lengths. They're ideal protection for paint and chrome surfaces. The Soft Hooks completely eliminate metal-to-metal contact. Loop the one-inch nylon webbing around handlebars, fork clamps, rear seat rails or any sturdy frame part of your motorcycle and loop it through itself and insert a tiedown hook. Rated at 1,200 lbs. breaking strength with a 400 lb. working load per strap. Packaged in pairs.
