3/4" Weld-On D-Ring  
6,666 lbs WLL (3,023 kgs)

\*NOTE: Working load limit will vary depending upon installation of track. Track is designed to work in combination with recommended tie-downs and fittings. Please reference TTMA RP No. 47-99 for installation. Attach track using screws, rivets or by welding. Contact vehicle manufacturer or qualified installer to determine fastener size and mounting method. Welding of galvanized material may emit toxic fumes. Please use caution and proper ventilation.
